BasicFakta — Active Tasks

Open Tasks

No currently active BasicFakta tasks in Mission Control.

Blocked Tasks

- **#100** — Improve fake news detection accuracy (BLOCKED)
 - **Reason:** Backend API code not in repo (hosted separately on basicfakta.no)
 - **Cannot proceed:** Algorithm source code not accessible
 - **Dependency:** Backend import required
 - **Test status:** 23/65 tests fail, factScore > 30 for known fake news
 - **Resolution:** Need backend source code from Alem

Recently Completed

- **13-item audit** — Security, accessibility, UX improvements (commit ce800c2)
- **Deployment** — Vercel auto-deploy configured
- **GitHub auth fix** — Switched from SSH to HTTPS (gh CLI token)

Planned Work

- **Backend integration** — Import backend source code to repo
 - **Algorithm improvements** — Once backend is accessible
 - **Test coverage** — Improve from 42/65 passing to 65/65
 - **Accuracy tuning** — Reduce false positives for known fake news
