Entur — Key Decisions

Engagement Decisions

Consulting Via RPG/Kyndryl (Date TBD)

Decision: Engage with Entur through RPG/Kyndryl consulting framework. **Rationale:** Established relationship, access to public sector contracts. **Contact:** Hive Consulting (Kjell Ljøstad) as intermediary.

Role: Tech Lead for Team API (Date TBD)

Decision: Position Alem as Tech Lead for Entur's Team API. **Rationale:** Matches expertise, senior role, strategic impact.

Bid Extension Strategy (2026-02-11)

Decision: Submit bid for contract extension with updated CV. **Status:** Submitted, awaiting results. **Timeline:** Deadline was 2026-02-11.

Historical Context

Data Loss Incident (2026-02):

- 553 files lost from ALAI repo due to backup script bug
- Entur documentation was among lost files
- Root cause: hourly-backup.sh used stash+branch-switch that deleted uncommitted files
- Fix: Commits now go directly to current branch
- Impact: Historical decisions and documents need recovery from email/memory

Operational Decisions

Communication Channel

- Primary contact: Kjell Ljøstad (kjell@hiveconsulting.no)
- Framework: Email-based coordination
- Response protocol: High priority (Entur emails flagged HIGH in email-agent)
