Visual Description from Figma

The bank accounts page displays all AISP-linked bank accounts via Open Banking:

- **Top bar:** Left side has a back arrow (ArrowLeft, NOT chevron) icon. "Mine kontoer" heading in bold **sans-serif** (NOT serif). No right-side icons.
- **Info card:** Light green/mint-colored rounded card with green shield icon (left side) and Norwegian text:
 - **"Open Banking (PSD2)"** — bold heading
 - "Drop leser saldo fra banken din via BankID-samtykke. Vi lagrer aldri pengene dine — alt går direkte fra din bankkonto." — body text explaining PSD2 pass-through model
- **Bank account cards:** Two white rounded cards, vertically stacked:
 1. **DNB account**
 - Green circular icon with bank/building symbol (left side)
 - **"DNB"** — bold heading
 - **"Primær"** — small green badge/pill with green text and light green background, positioned next to bank name

- "1234.56.78901" — account number in muted gray text below bank name
- "**35 200,00 NOK**" — large bold balance amount (right side, top-aligned)

2. Nordea account

- Green circular icon with bank/building symbol (left side)
- "**Nordea**" — bold heading (no badge)
- "9876.54.32100" — account number in muted gray text below bank name
- "**12 320,50 NOK**" — large bold balance amount (right side, top-aligned)
- **Total balance card:** White rounded card with:
 - "Samlet saldo" — muted gray text on left
 - "**47 520,50 NOK**" — large bold green text on right
- **Add account button:** White rounded card/button with:
 - "**+ Koble til ny bankkonto**" — center-aligned, dark text, plus icon prefix
- **Bottom navigation:** 5 tabs — Hjem (house outline), Send (paper plane outline), Skann (QR outline), Kort (card outline, active/green filled), Profil (person outline). "Kort" tab is active (green).

NOTE: Figma shows "Kort" tab active, but this is likely a design artifact. The accounts page should activate the "Profil" tab or no tab (if accounts is accessed from dashboard link).

Background is light gray. Spacing between cards is consistent.

Yes — "Kort" tab shown as active in Figma (green, filled card icon), but this is likely a design artifact. In production, either "Profil" tab should be active (if accounts is part of profile section) or no tab should be highlighted (if accessed from dashboard link).
