Change

- Updated `/Users/makinja/system/tools/facts.js` `SEED_DATA` with `yolo_mode_policy`.
- Corrected live facts DB value for `yolo_mode_policy`.

Persisted policy

ZABRANJEN. Samo CEO Alem može eksplicitno uključiti. Bez explicit CEO GO --yolo ne postoji.
ZABRANJEN na healthcare/regulated produktima bez explicit CEO GO. Odluka 2026-04-08. Gate u build-mode.js enforced.

Verification

- `node --check /Users/makinja/system/tools/facts.js` → PASS.
- `node ~/system/tools/facts.js search yolo` → returns `yolo_mode_policy` with `healthcare/regulated caveat`.
- `node ~/system/tools/facts.js display | grep -i -A2 -B1 yolo` → boot/display output includes the policy.
